A Show and Tell of Lively Proportions

Littleton, Colo. Arapahoe County 4-H Clubs are hosting a Show and Tell from 1-3 p.m. on Saturday, Oct. 14, at the Arapahoe County Fairgrounds, 25690 E. Quincy Ave, Aurora (just east of E-470). Families are invited to spend the afternoon getting up close and personal with livestock – from rabbits and swine to steers and horses – viewing exhibits in culinary delights and photography, and rooting for the underdog in the dog obedience demonstration. Attendance is FREE and there will be door prizes and refreshments.

The Show and Tell allows local 4-H members, ages 5-18, to display their projects for all to enjoy. 4-H caters to both urban and rural families and with a plethora of projects to choose from, there's something for everyone.

"4-H creates a supportive environment where youth are able to reach their fullest potential," said Larry Hooker, 4-H Extension Agent. "Our Show and Tell invites families from all over Arapahoe County to experience the fun and excitement of 4-H and perhaps learn something new."

The purpose of 4-H is to assist parents in raising children who are healthy, successful adults by partnering with volunteer leaders who organize and conduct hands-on educational experiences. Whether it's raising animals, clothing design, nutrition, or model cars, youth participating in 4-H learn valuable skills such as teamwork, leadership, citizenship and the value of communication.

Sample the fun at the 4-H Show and Tell and take the opportunity to speak with leaders or members about their projects to learn more. For more information, contact Larry Hooker at 303-738-7940 or visit www.arapahoeextension.org.
