Arapahoe County closes Development Services building Friday afternoon due to heavy snow accumulation on roof

Heavy snow accumulation on the roof of the County's Development Services and Infrastructure Management building at 10730 E. Briarwood Ave., Centennial have forced the County to close the building Friday afternoon. Employees are being sent home. At this time, we are unable to determine if the building will be safe to re-open on Monday.

Citizens are asked to please check back to our web site at www.co.arapahoe.co.us or call DSIM at 720-874-6500 for an update on when the building will re-open. Arapahoe County services offered at this location include: Building, Engineering, Mapping, Planning and Zoning, Animal Control and Veteran Services.

For more information, contact the Public Information Office at 303-795-4284.
