Arapahoe County celebrates Take Your Child to Work Day

On April 22, 2004, Arapahoe County Government and its employees will participate in the annual *Take Your Child to Work Day*. Employees are invited to bring their daughters, sons and relatives, age 7 and up, to work that day.

Children will be able to participate in activities, such as a mock public hearing with the Board of County Commissioners; filling out job applications; learning about facilities and construction; watching a Sheriff's Office K9 demonstration; Information Technology tours; interactive graphic design and print shop demonstrations, participating in a mock election and wedding in the Clerk & Recorder's Office and learning about Finance, Engineering and Human Services.

"By participating in *Take Your Child To Work Day* we hope to inspire our children to attain their full potential and discover how courses such as science, math, English and business can better prepare them for a wide variety of jobs," said Commissioner Susan Beckman, who serves as Board Chair. "The children will learn about the necessary skills to be hired in specific professions, especially the many wonderful career opportunities offered in Arapahoe County."
