Arapahoe County needs poll workers for Election Day

Looking for a way to serve your country? Arapahoe County is hiring judges for the 2004 General Election on Tuesday, Nov. 2, 2004. Election judges must be a resident of Arapahoe County.

Election judges are an important part of our voting process. Election judges are responsible for ensuring the integrity of the elections at each polling location. Judges report to the polling site at 6 a.m. and close the polls after all voters have voted, generally 8 p.m. or later. Judges are responsible for all election material, ensure only qualified voters are permitted to vote and distribute provisional ballots. They also post the result tape at the polling site once polls close.

Judges must attend a two-and-a half-hour training class held from mid to late October. They will be paid \$10 for attending the training class. Judges are paid \$100 for working on Election Day. Bilingual residents are encouraged to apply.

If you would like to serve as an election judge, download an application from our web site at www.co.arapahoe.co.us or call the Elections Division at 303-734-5350.
