Arapahoe County funds renovations to improve senior daycare facility *Facility improvements serve low to moderate income developmentally disabled seniors*

Littleton, Colo. --- The Arapahoe County Board of County Commissioners celebrated the completion of \$60,000 of renovations at the Developmental Pathways Senior Center—Senior Choice West—at 1060 W. Littleton Blvd., last Friday.

The Commissioners approved \$60,000 in County Community Development Block Grant funds for the improvements, which include asbestos mitigation, modernizing the fire alarm, upgrading attic insulation, installing new entry doors with automatic openers and a ramp handrail.

“We’re thrilled to support this program which provides much-needed respite for people in our community who need help caring for developmentally and physically disabled seniors,” said Commissioner Susan Beckman, District 1. “By enabling Senior Choice West to assist more seniors, we’re also freeing up senior daycare in other areas of the community to ultimately serve more of our low to moderate income senior population.”

Seniors Choice West serves approximately 40 seniors daily. For more information, please contact Angie Pilkington, Developmental Pathways Adult Day Care Program at 303-344-0046.
