## **Get to know Arapahoe County**

*2005 Annual report to be distributed in Saturday's Rocky Mountain News*

LITTLETON, CO --- In an effort to reach nearly 100,000 households, Arapahoe County will distribute its 2005 Annual Performance Report – *Getting to Know Arapahoe: Your County at Work* in Saturday's *Rocky Mountain News*.

The 12-page annual report features dozens of examples of the County's commitment to provide exceptional services, while at the same time using tax dollars wisely. The goal of the report is to educate citizens about the role of their county government in the community by highlighting the County's accomplishments, innovations, awards, efforts to save money, community activities, and testimonials from citizens in 2005.

The report will be included in the newspaper's Arapahoe County distribution area only.

The County chose the newspaper format because it was the most affordable option to reach more people. Last July, the County conducted a citizen survey, which indicated that while citizens were generally happy with Arapahoe County, they did not know much about their county government.

Copies of the report also are available in County buildings, and electronically through the web site at [www.co.arapahoe.co.us](http://www.co.arapahoe.co.us). For more information, or to give us your feedback on the annual report, visit [www.co.arapahoe.co.us](http://www.co.arapahoe.co.us) or contact Communication Services at 303-795-4284.
