Valerie Purser joins Arapahoe County Community Resources Department

Littleton, Colo. - Arapahoe County has hired Valerie Purser to be the Volunteer Coordinator in the Community Resources Department where her primary responsibility will be to develop work opportunities within county government and to recruit volunteers from the community. She begins September 21.

Purser will be in charge of developing volunteer job descriptions, training manuals, forms, recruitment collateral, a tracking database, preparing recruitment announcements and conducting orientation and training sessions for volunteers.

Purser has spent over twenty years as a volunteer and professional volunteer leader in local, state, and federal government agencies as well as non-profit and for-profit organizations. She has worked as a Public Information Officer, an Administrative Grants Coordinator and was a producer and director for KMGH Channel 7's "Call 7 for Help" program.

"Valerie's experience as a volunteer leader will be an invaluable asset to the program," said Don Klemme, Community Resources Director. "We are excited to work with Valerie and welcome her to the County."
