Arapahoe County contracts with new company for senior transportation services

Littleton, Colo. --- On June 25, Arapahoe County and First Transit teamed up to provide First Ride senior transportation services. The program, previously managed by Seniors Resource Center, Inc., helps seniors in Arapahoe County continue to live independently in the community through transportation to medical/dental appointments, senior dining centers, grocery shopping and food banks.

The new contractor will provide Arapahoe County seniors designated transportation in small, wheelchair-accessible buses. All buses are visually identifiable with the logo First Ride making it easier for seniors to recognize that their vehicle has arrived.

“Continuing to provide our aging population with transportation services is a vital step in supporting their independence,” said Linda Haley, Arapahoe County Division Manager. “We are thrilled to continue to provide this service at no charge, though donations are always appreciated as additional funds will help us serve more seniors in need of transportation.”

To make a trip reservation, call First Ride at 720-540-5566. Please note the new phone number.
