Arapahoe County hires new Division Manager

Lorraine Archuleta replaces Carol Saile who will retire August 1

AURORA, Colo. --- Arapahoe County has named Lorraine Archuleta as the new manager of Community Support Services, effective immediately.

Archuleta will be responsible for the provision of medical, financial and food assistance for all eligible Arapahoe County citizens. Her responsibilities include, but are not limited to, deployment of county staff and resources to ensure the effective delivery of services, strategic planning, budgeting, program development and implementation.

"Lorraine has extensive program and CBMS knowledge as well as a proven track record as an effective and innovative leader in the Human Services arena," said Cheryl Ternes, Human Services Director. "The CSS Division will effectively move forward in strategic planning and performance improvement under Lorraine's leadership."

Lorraine brings to Arapahoe County great program knowledge as well as significant administrative experience due to her strong background with more than 12 years working in human services and management.

Prior to working for Arapahoe County as a trainer, Archuleta was employed by Jefferson County Human Services and held a variety of positions in the Community Assistance division.

Archuleta received her Bachelor's degree in Business Administration from the University of Colorado, Denver.
