Arapahoe/Douglas Works! hosts job fair for *50+ and Fabulous* workforce on Sept. 19

Aurora, CO. — Arapahoe/Douglas Works! is hosting a job fair specifically for older Denver metro area workers to help them find and retain jobs. The *50+ and Fabulous* job fair is scheduled 10 a.m. — 2 p.m., Sept. 19 at Arapahoe County's CentrePoint Plaza, 14980 E. Alameda Dr., Aurora.

Employers from several different industries participating in the job fair have vacancies to fill, including entry level, highly skilled, and full and part-time positions. No need to register in advance. Just come down with your resume and best smile.

“Employers are keenly considering the mature job seeker because they typically have the skills and qualities—reliability, versatility, good communication and problem solving—that experienced workers possess,” said Joe Barela, A/D Works! Manager.

The *50+ and Fabulous* resource center provides free job seeker workshops, life skills training, hiring events and employer seminars—all tailored to the older worker.

The County's free resource centers include access to computers, software tutorials and library materials. The 50+ resource center also provides various life balance and job search workshops, including money management, health and wellness, financial planning, resume writing, negotiating job offers, and gaining a competitive edge. A weekly support group also includes networking and job search discussions.
