ARAPAHOE SHERIFF'S NON-EMERGENCY PHONE LINES DOWN FOR MAINTENANCE

On Sunday, October 26, 2008, from 10:00 A.M. until 2:00 P.M, the non-emergency and administrative telephone lines to the Arapahoe County Sheriff's Office will be out of service for required computer server maintenance. The Sheriff's Office emergency 911 phone lines will continue to be operational during the required computer maintenance. In the event that citizens need to contact the Arapahoe County Sheriff's Office regarding a non-emergency matter, during the scheduled computer maintenance, 911 may be utilized. The Arapahoe County Sheriff's Office encourages the cautious and restrained use of the emergency 911 system in order to avoid system overload or abuse.

Members of the community calling the Sheriff's Office non-emergency telephone number, 303-795-4711, while the computer maintenance is being performed, will receive a recorded message advising that the phone lines are temporarily out of service and will be instructed to either call after 2:00 PM or to call 911.
