Arapahoe County's Facilities and Fleet Management, Public Works and Development departments recognized for excellence

Littleton, Colo. --- Arapahoe County Facilities and Fleet Management and Public Works and Development departments recently received four awards from the Colorado Chapter of American Public Works Association.

The American Public Works Association is an international educational and professional association of public agencies, private sector companies, and individuals dedicated to providing high quality public works goods and services.

The Facilities and Fleet Management department received a certificate of achievement in the Fleet Management and Operations – Large Community Division category. Fleet Management received the honor based on their dedication and commitment to be fiscally responsible and to provide exceptional customer service.

Public Works and Development received a certificate of achievement in the Streets and Traffic – Large Community Division category for the Phase I and Phase II grading and paving on Quincy Avenue between Peterson Road and Kiowa-Bennett Road.

In addition, Steve Gardner was recognized in the Drainage and Flood Control category for his leadership and exceptional work associated with the formation of the Southeast Metro Stormwater Authority. The department also received a Certificate of Achievement for its work on the Southeast Metro Stormwater Authority.
