## **Free Mammograms and Women's Cancer Screenings**

Tri-County Health Department is offering free mammograms, breast exams, Pap tests and pelvic exams to qualifying women. Cancer screening clinics are held every Thursday in March and April, in locations across the metro area including Aurora, Castle Rock, Commerce City, Englewood, Northglenn and Thornton.

In order to qualify for these services, a woman must be 50-64 years old; live anywhere in Colorado; not have health insurance coverage for mammograms or Pap tests; not have had a mammogram or Pap test within the last 12 months; and meet income guidelines.

Appointments are required. Call (303) 783-7118 for more information, or (303) 783-7141 for information in Spanish.
