## **Arapahoe County appoints Linda Haley as new Division Manager** *Haley to oversee Arapahoe County's Senior Resources division*

**AURORA, CO** --- Arapahoe County has named Linda Haley as the new manager of Senior Resources, effective immediately.

Responsible for a variety of duties that support the county's senior population, Linda Haley will oversee the operation of the Homemakers program and the Older Americans Act Transportation program. She will also propose and develop programs that address the unmet service needs for seniors.

"Linda brings a wealth of experience to the position and we are delighted to have her join our team," said Don Klemme, Community Resources Director. "With over 20 years of experience in various facets of senior care, Linda Haley is an asset not only to our senior programs but we know her experience and expertise will be valuable in recruiting and supporting seniors with our Volunteer Connections program as well."

Haley's experience includes three years with Volunteers of America as Project Coordinator for their congregate dining program (Meals on Wheels) and Project Manager for their foster grandparent program where she managed recruitment, training, planning and coordinating special projects and events, and a \$660,000 budget.

Prior to her time at Volunteers of America, Linda acquired years of experience with a number of senior care organizations and held positions such as Director of Social Services for Homestead Nursing Home and Director of Long Term Care for Senior Spectrum in Gardiner, Maine.
