MEDIA RELEASE

SHERIFF ANNOUNCES BACK-TO-SCHOOL TRAFFIC SAFETY CAMPAIGN

In a continuing effort to ensure traffic safety through education and enforcement, the Arapahoe County Sheriff's Office will initiate "Operation Safe Start" a back-to-school traffic safety campaign. This traffic safety campaign is designed to educate motorists, parents, and children regarding accident prevention and safe pedestrian movement.

Operation Safe Start will begin on Monday, August 18, 2008, and continue until Friday, August 29, 2008. Additional enhanced traffic education and enforcement efforts will remain in place throughout the 2008-2009 school year.

Operation Safe Start will focus on motorists who: illegally pass school busses; speed in school zones; fail to wear, or ensure that their children wear safety belts; and commit other unsafe driving actions in and around the schools located in the City of Centennial and Unincorporated Arapahoe County. The Sheriff's Office increased traffic safety program will be accomplished by assigning additional deputies to traffic education/enforcement responsibilities during the first two weeks of the new school year.

In addition to the increased number of assigned Sheriff's Office deputies, variable message sign boards will be utilized in neighborhoods to notify motorists that schools are now in session and there are many children moving to and from schools in the area.

The beginning of the school year is a time when there is a greater risk of transportation related injuries to children. The fact that there are many more children on the road each morning and afternoon, as well as changed driving patterns and fewer daylight hours elevates this risk.

The Arapahoe County Sheriff's Office encourages all motorists, parents, and students to practice safe driving and pedestrian habits.
